Payment and Cancellation Policy

Payment Policies

Piller Child Development, LLC does everything possible to minimize the cost of medical care. You can help a great deal by eliminating the need for us to bill you. The following is summary of our payment policy.

All payment is expected at the time of service

Payment is required at the time services are rendered. We have a contractual obligation (with your insurance company) to collect all co-pays and co-insurance. This includes applicable co-payments for participating insurance companies. Payment will be collected when you check in. We are unable to bill co-pays/coinsurance to you. Patients are encouraged to keep a credit card on file with the front office. This credit card will be charged on the date of service for all payments due.

Outstanding Balance

Once payment is received from your insurance company, you will be billed for any remaining amount and the credit card on file will be charged as indicated. Payment for outstanding balances is expected within 10 business days. Patients with an outstanding balance of 30 days overdue must make arrangements for payment prior to scheduling appointments. We realize that people have financial difficulty. Please communicate with our billing and collection staff so that they may assist to create a financial plan with you. If your account becomes delinquent by more than 60 days, we will be forced to forward it to a collection agency. If your account is sent to an outside collection agency, we will add a collection fee to your account balance. The collection fee we charge you will be equal to the amount that the collection agency charges us. You will be responsible for paying the full balance, including this fee. A fee of \$25 will be applied to each returned check.

Insurance

We bill participating insurance companies as a courtesy to you. You are expected to pay your deductibles and co-payments at the time of service. If we have not received payment from your insurance company, you will be expected to pay the balance in full. **You are responsible for all charges.** Insurance cards must be provided at your first appointment. If your insurance company requires you to have a referral or authorization for therapy, please verify with our front office that a current referral or authorization is on file. Our office will put forth as much effort as possible to help obtain these documents, however, the **patient is ultimately responsible for any resulting costs that may be associated with your visits.**

Missed Appointments /Cancellations/Late Appointments

Missed appointments represent a cost to us, to you and to other patients who could have been seen in the time set aside for you. If you are unable to keep your appointment, please give 24-hours notice to avoid charge. Cancellations with less than 24 hour notice, short notice reschedule, or "no shows" will be subject to a \$35 fee. "No show" on Saturday appointments are subject to a \$50 fee. No show fees are automatically charged to the credit card on file. If you have more than 2 cancellations within a 4-week period or 2 or more "no shows," we reserve the right to discontinue services. If more than 15 minutes late to an appointment, we reserve the right to charge a late appointment fee of \$15.

I understand that insurance claim forms will be submitted to my insurance company as a matter of convenience. I understand and agree that if it becomes necessary to retain an attorney and/or collection agency for the collection of any outstanding charges, whether or not a lawsuit is filed on my account, I will be responsible for any attorney and/or collection fees and court costs in addition to the outstanding balance.

_____ I understand that patient billing statements will be sent via email.
